44D. (*1*) Where any person has, by means of a transfer of assets, by virtue or in consequence whereof, either alone or in conjunction with associated operations, any income which if it were the income of such person would be chargeable to income-tax becomes payable to a person not resident or to a person resident but not ordinarily resident in British India, acquired any rights by virtue or in consequence of which he has within the meaning of this section power to enjoy such income, whether forthwith or in the future, that income shall, whether it would or would not have been chargeable to income-tax apart from the provisions of this section, be deemed to be income of such first mentioned person for all the purposes of this Act.

(*2*) Where any person receives or is entitled to receive, whether before or after any transfer of assets by virtue or in consequence whereof either alone or in conjunction with associated operations any income becomes payable to a person not resident or resident but not ordinarily resident in British India, any sum paid or payable by way of a loan or repayment of a loan or any other sum, being a sum which is not paid or payable for full consideration in money or money's worth, paid or payable otherwise than as income, such income shall, whether it would or would not have been chargeable to income-tax apart from the provisions of this section, be deemed to be the income of the first-mentioned person for all the purposes of this Act.

(*3*) Sub-sections (*1*) and (*2*) shall not apply if such first-mentioned person shows to the satisfaction of the Income-tax Officer either—

(*a*) that neither the transfer nor any associated operation had for its purpose or for one of its purposes the avoidance of liability to taxation; or

(*b*) that the transfer and all associated operations were *bona fide* commercial transactions and were not designed for the purpose of avoiding liability to taxation.

(*4*) For the purposes of this section, an 'associated operation' means, in relation to any transfer, an operation of any kind effected by any person in relation to any of the assets transferred or any assets representing whether directly or indirectly any of the assets transferred, or to the income arising from any such assets, or to any assets representing whether directly or indirectly the accumulations of income arising from any such assets.

(5) A person shall, for the purposes of this section, be deemed to have power to enjoy income of a person not resident, or resident but not ordinarily resident, in British India, if—

(a) the income is in fact so dealt with by any person as to be calculated at some point of time and, whether in the form of income or not, to enure for the benefit of the first mentioned person, or

(b) the receipt or accrual of the income operates to increase the value to such first mentioned person of any assets held by him or for his benefit, or

(c) such first mentioned person receives or is entitled to receive at any time any benefit provided or to be provided out of that income or out of moneys which are or will be available for the purpose by reason of the effect or successive effects of the associated operations on that income and on any assets which represent that income, or

(d) such first mentioned person has power by means of the exercise of any power of appointment or power of revocation or otherwise to obtain for himself, whether with or without the consent of any other person, the beneficial enjoyment of the income, or

(e) such first mentioned person is able, in any manner whatsoever and whether directly or indirectly, to control the application of the income.

(6) In determining whether a person has power to enjoy income within the meaning of this section, regard shall be had to the substantial result and effect of the transfer and any associated operations, and all benefits which may at any time accrue to such person as a result of the transfer and any associated operations shall be taken into account irrespective of the nature or form of the benefits.

(7) For the purposes of this section—

(a) the expression 'assets' includes property or rights of any kind, and the expression 'transfer' in relation to rights includes the creation of those rights;

(b) the expression 'benefit' includes a payment of any kind;

(c) references to income of a person not resident or of a person not ordinarily resident in British India shall, where the amount of the income of a company for any year or period has been deemed to have been distributed under sub-section (1) of section 23A, include references to so much of the income of the company for that year or period as is equal to the amount deemed to have been distributed to that person;

(d) references to assets representing any assets, income or accumulations of income include references to shares in or obligations of any company to which, or obligation of any other person to whom, those assets, that income or those accumulations are or have been transferred;

(e) any body corporate incorporated outside British India shall be treated as if it were resident out of British India whether it is so resident or not.

(8) The provisions of this section shall apply for the purposes of assessment to income-tax and super-tax for the year ending on the 31st day of March, 1940, and subsequent years, and shall apply, in relation to transfers of assets and associated operations whether carried out before or after the commencement of the Indian Income-tax (Amendment) Act, 1939.

(9) Where any person has been charged to tax on any income deemed to be his under the provisions of this section, and that income is subsequently received by him, whether as income or in any other form, it shall not again be deemed to form part of his income for the purposes of this Act.

Avoidance of tax by certain transactions in securities.

44E. (1) Where the owner of any securities (in this sub-section and in sub-section (2) referred to as 'the owner') agrees to sell or transfer those securities, and by the same or any collateral agreement—

(a) agrees to buy back or re-acquire the securities, or

(b) acquires an option, which he subsequently exercises, to buy back or re-acquire the securities,

then, if the result of the transaction is that any interest becoming payable in respect of the securities is receivable otherwise than by the owner, the interest payable as aforesaid shall, whether it would or would not have been chargeable to tax apart from the provisions of this section, be deemed for all the purposes of this Act to be the income of the owner and not to be the income of any other person.

(2) The references in sub-section (1) to buying back or re-acquiring the securities shall be deemed to include references to buying or acquiring similar securities, so, however, that where similar securities are bought or acquired, the owner shall be under no greater liability to tax than he would have been under if the original securities had been bought back or re-acquired.

(3) Where any person carrying on a business which consists wholly or partly in dealing in securities agrees to buy or acquire any securities, and by the same or any collateral agreement—

(a) agrees to sell back or re-transfer the securities, or

(b) acquires an option, which he subsequently exercises, to sell back or re-transfer the securities,

then, if the result of the transaction is that any interest becoming payable in respect of the securities is receivable by him, no account shall be taken of the transaction in computing for any of the purposes of this Act the profits arising from or loss sustained in the business.

(4) Sub-section (3) shall have effect, subject to any necessary modifications, as if references to selling back or re-transferring the securities included references to selling or transferring similar securities.

(5) For the purpose of this section—

(a) the expression 'interest' includes a dividend;

(b) the expression 'securities' includes stocks and shares;

(c) securities shall be deemed to be similar if they entitle their holders to the same rights against the same persons as to capital and interest and the same remedies for the enforcement of those rights, notwithstanding any difference in the total nominal amounts of the respective securities or in the form in which they are held or the manner in which they can be transferred.

(6) The Income-tax Officer may by notice in writing require any person to furnish him within such time as he may direct (not being less than twenty-eight days), in respect of all securities of which such person was the owner at any time during the period specified in the notice, such particulars as he considers necessary for the purposes of this section and for the purpose of discovering whether tax has been borne in respect of the interest on all those securities; and, if that person without reasonable excuse fails to comply with the notice, he shall be liable to a penalty not exceeding five hundred rupees and to a further penalty of the like amount for every day after the infliction of such penalty during which the failure continues.

Avoidance of tax by sales *cum* dividend.

44F. (1) Any person upon whom notice is served by the Income-tax Officer requiring him to furnish a statement of particulars relating to any securities in which, at any time during the period specified in the notice he has had any beneficial interest, and in respect of which, within such period, either no income was received by him, or the income received by him was less than the sum to which the income would have amounted if the income from such securities had accrued from day to day and been apportioned accordingly, shall, whether an assessment to income-tax or super-tax in respect of his total income has or has not been made for the relevant year or years of assessment, furnish such a statement and such particulars in the form and within the time (not being less than twenty-eight days) required by the notice.

(2) If it appears to the Income-tax Officer by reference to all the circumstances in relation to the securities of any such person (including circumstances with respect to sales, purchases, dealings, contracts, arrangements, transfers, or any other transactions relating to such securities) that such person has thereby avoided or would avoid more than ten per cent. of the amount of the income-tax or super-tax for any year which would have been payable in his case in respect of the income from those securities if the income had been deemed to accrue from day to day and had been apportioned accordingly, and the income so deemed to have been apportioned to him had been treated as part of his total income from all sources for the purposes of income-tax or super-tax, then those securities shall be deemed to be securities to which sub-section (3) applies.

(3) For the purposes of assessment to income-tax or super-tax in the case of any such person, the income from any securities to which this sub-section applies shall be deemed to accrue from day to day, and in the case of the sale or transfer of any such securities by or to him shall be deemed to have been received as and when it is deemed to have accrued:

Provided that this section shall not apply if such person proves to the satisfaction of the Income-tax Officer that the avoidance of income-tax or super-tax was exceptional and not systematic and that there was not in his case in any of the three preceding years any such avoidance of income-tax or super-tax, or that the provisions of section 44E have been applied in his case in respect of such income.

(4) If any person fails to furnish any statement or particulars required under this section, or if the Income-tax Officer is not satisfied with any statement or particulars furnished under this section, the Income-tax Officer may make an estimate of the amount of the income which, under the foregoing provisions of this section, is to be deemed to form part of the person's total income for the purposes of income-tax or super-tax.

(*5*) If any person without reasonable excuse fails to furnish any statement or particulars required under this section, he shall be liable to a penalty not exceeding five hundred rupees, and to a further penalty of the like amount for every day after the infliction of such penalty during which the failure continues.

(*c*) 'ordinary annual contribution' means an annual contribution of a fixed amount or an annual contribution computed on some definite basis by reference to the earnings, the contributions or the number of members of the fund.

**Approval and withdrawal of approval.**

58O. (*1*) The Central Board of Revenue may accord approval to any superannuation fund or any part of a superannuation fund which in its opinion complies with the requirements of section 58P, and may at any time withdraw such approval, if in its opinion the circumstances of the fund or part cease to warrant the continuance of the approval.

(*2*) The Central Board of Revenue shall communicate in writing to the trustees of the fund the grant of approval with the date on which the approval is to take effect, and, where the approval is granted subject to conditions, those conditions.

(*3*) The Central Board of Revenue shall communicate in writing to the trustees of the fund any withdrawal of approval with the reasons for such withdrawal and the date on which the withdrawal is to take effect.

(*4*) The Central Board of Revenue shall neither refuse nor withdraw approval to any superannuation fund or any part of a superannuation fund unless it has given the trustees of that fund a reasonable opportunity of being heard in the matter.

**Conditions for approval.**

58P. In order that a superannuation fund may receive and retain approval the following conditions shall be satisfied, namely:—

(*a*) the fund shall be a fund established under an irrevocable trust in connection with a trade or undertaking carried on in British India;

(*b*) the fund shall have for its sole purpose the provision of annuities for employees in the trade or undertaking on their retirement at or after a specified age or on their becoming incapacitated prior to such retirement, or for the widows, children or dependants of persons who are or have been such employees on the death of those persons; and

(*c*) the employer in the trade or undertaking shall be a contributor to the fund:

Provided that the Central Board of Revenue may, if it thinks fit and subject to such conditions, if any, as it thinks proper to attach to the approval, approve a fund or any part of a fund—

(*i*) notwithstanding that the rules of the fund provide for the return in certain contingencies of contributions paid to the fund, or

(*ii*) if the main purpose of the fund is the provision of such annuities as aforesaid, notwithstanding that such provision is not its sole purpose, or

(*iii*) notwithstanding that the trade or undertaking in connection with which the fund is established is carried on only partly in British India.

**Application for approval.**

58Q. (*1*) An application for approval of a superannuation fund or part of a superannuation fund for any year of assessment shall be made in writing before the end of that year by the trustees of the fund to the Income-tax Officer, and shall be accompanied by a copy

**Deduction from pay of and contributions on behalf of, employee to be included in return under section 21.**

**Liabilities of trustees on cessation of approval of fund.**

58U. If a fund or a part of a fund for any reason ceases to be an approved superannuation fund, the trustees of the fund shall nevertheless remain liable to account for tax on any sum paid—

[*See* section 10 (7).]

RULES FOR THE COMPUTATION OF THE PROFITS AND GAINS OF INSURANCE BUSINESS.

1. In the case of any person who carries on, or at any time in the preceding year carried on, life insurance business, the profits and gains of such person from that business shall be computed separately from his income, profits or gains from any other business.

2. The profits and gains of life insurance business shall be taken to be either—

(*a*) the gross external incomings of the preceding year from that business less the management expenses of that year, or

(*b*) the annual average of the surplus disclosed by the actuarial valuation made for the last inter-valuation period ending before the year for which the assessment is to be made, after adjusting such surplus so as to exclude from it any surplus or deficit included therein which was made in any earlier inter-valuation period and any expenditure other than expenditure which may under the provisions of section 10 of this Act be allowed for in computing the profits and gains of a business,

whichever is the greater:

Provided that the amount to be allowed as management expenses shall not exceed—

(*a*) 7½ per cent. of the premiums received during the preceding year in respect of single premium life insurance policies, *plus*

(*b*) in respect of the first year's premiums received in respect of other life insurance policies for which the number of annual premiums received is less than twelve, or for which the number of years during which premiums are payable is less than twelve, for each such premium or each such year 7½ per cent. of such first year's premiums received during the preceding year, *plus*

(*c*) 85 per cent. of the first year's premiums received during the preceding year in respect of other life insurance policies and 8½ per cent. of other premiums received during that year in respect of all life insurance policies other than single premium life insurance policies.

3. In computing the surplus for the purpose of rule 2,—

(*a*) one-half of the amounts paid to or reserved for or expended on behalf of policyholders shall be allowed as a deduction:

Provided that in the first such computation made under this rule of any such surplus no account shall be taken of any such amounts to the extent to which they are paid out of or in respect of any surplus brought forward from a previous inter-valuation period:

Provided further that if any amount so reserved for policyholders ceases to be so reserved, and is not paid to or expended on behalf of policyholders, one-half of such amount, if it has been previously allowed as a deduction, shall be treated as part of the surplus for the period in which the said amount ceased to be so reserved;

(*b*) any amount either written off or reserved in the accounts or through the actuarial valuation balance sheet to meet depreciation of or loss on the realisation of securities or other assets, shall be allowed as a deduction, and any sums taken credit for in the accounts or actuarial valuation balance sheet on account of appreciation of or gains on the realisation of the securities or other assets shall be included in the surplus:

Provided that if upon investigation it appears to the Income-tax Officer after consultation with the Superintendent of Insurance that having due regard to the necessity for making reasonable provision for bonuses to participating policyholders and for contingencies, the rate of interest or other factor employed in determining the liability in respect of outstanding policies is materially inconsistent with the valuation of the securities and other assets so as artificially to reduce the surplus, such adjustment shall be made to the allowance for depreciation of, or to the amount to be included in the surplus in respect of appreciation of such securities and other assets, as shall increase the surplus for the purposes of these rules to a figure which is fair and just:

(*c*) the whole amount of interest received in respect of any securities of the Central Government which have been issued or declared to be income-tax free shall be deducted.

4. Where for any year an assessment is made in accordance with the annual average of a surplus disclosed by a valuation for an inter-valuation period exceeding twelve months, then, in computing the tax payable for that year, credit shall not be given in accordance with sub-section (*5*) of section 18 for the tax paid in the preceding year, but credit shall be given for the annual average of the income-tax paid by deduction at source from interest on securities or otherwise during such period.

5. For the purposes of these rules—

(*i*) 'preceding year' means that year for which annual accounts are required to be prepared under the Insurance Act, 1938, immediately preceding the year for which the assessment is to be made or until the commencement of the Insurance Act, 1938, the previous year as defined in section 2 of this Act;

(*ii*) 'gross external incomings' means the full amount of incomings from interest, dividends, fines and fees and all other incomings from whatever source derived (except premiums received from policyholders and interest and dividends on any annuity fund) and includes also profits from reversions and on the sale or the granting of annuities, but excludes profits on the realisation of securities:

Provided that incomings, including the annual value of the property occupied by the assessee, which but for the provisions of sub-section (*7*) of section 10 would have been assessable under section 9 shall be computed upon the basis laid down in the last named section, and that there shall be allowed from such gross incomings such deductions as are permissible under that section.

(*iii*) 'management expenses' means the full amount of expenses (including commissions) incurred exclusively in the management of the business of life insurance, and in the case of a company carrying on other classes of business as well as the business of life insurance in addition thereto a fair proportion of the expenses incurred in the general management of the whole business. Bonuses or other sums paid to or reserved on behalf of policyholders, depreciation of, and losses on the realisation of, securities and any expenditure other than expenditure which may under the provisions of section 10 of this Act be allowed for in computing the profits and gains of a business are not management expenses for the purposes of these rules;

(*iv*) 'life insurance business' means life insurance business as defined in clause (*11*) of section 2 of the Insurance Act, 1938;

(*v*) 'securities' includes stocks and shares.

6. The profits and gains of any business of insurance other than life insurance shall be taken to be the balance of the profits disclosed by the annual accounts, copies of which are required under the Insurance Act, 1938, to be furnished to the Superintendent of Insurance, after adjusting such balance so as to exclude from it any expenditure other than expenditure which may under the provisions of section 10 of this Act be allowed for in computing the profits and gains of a business. Profits and losses on the realisation of investments, and depreciation and appreciation of the value of investments shall be dealt with as provided in rule 3 for the business of life insurance.

7. The profits and gains of companies carrying on dividing society or assessment business shall be taken to be 15 per cent. of the premium income of the previous year, or in the case of non-resident companies 15 per cent. of the British Indian premium income of the previous year.

8. The profits and gains of the British Indian branches of an insurance company not resident in British India, in the absence of more reliable data, may be deemed to be the proportion of the total world income of the company corresponding to the proportion which its British Indian premium income bears to its total premium income. For the purpose of this rule, the total world income of life insurance companies not resident in British India whose profits are periodically ascertained by actuarial valuation shall be computed in the manner laid down in these rules for the computation of the profits and gains of life insurance business carried on in British India.

## PART VI

**Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.**

### GOVERNMENT OF INDIA.

**Legislative Assembly Department.**

The following Bill was introduced in the Legislative Assembly on the 27th February, 1939:—

L. A. BILL No. 27 OF 1939.

*A Bill to amend the Cotton Ginning and Pressing Factories Act, 1925 for certain purposes.*

WHEREAS it is expedient to amend the Cotton Ginning and Pressing Factories Act, 1925 for the purposes hereinafter appearing; XII of 1925.

It is hereby enacted as follows:—

**Short title.**

**1.** This Act may be called the Cotton Ginning and Pressing Factories (Amendment) Act, 1939.

**Amendment of section 9 of Act XII of 1925.**

**2.** In section 9 of the Cotton Ginning and Pressing Factories Act, 1925 (hereinafter referred to as the said Act)—

(*a*) after sub-section (*1*) the following sub-section shall be inserted, namely:—

"(*1A*) In any cotton ginning factory, whether erected before or after the commencement of this Act—

(*a*) no structural alterations or additions, the construction of which commenced after the 27th day of February, 1939, shall be made so as to minimise the degree of compliance of the factory as a whole with the requirements set forth in clauses (*a*) and (*b*) of sub-section (*1*), and

(*b*) every structural addition (whether actually attached to any existing structure in the factory or not), the construction of which commenced after the last-mentioned date, shall be constructed in accordance with plans and specifications approved by the prescribed authority:

Provided that nothing in this sub-section shall apply to any factory in which, after any alteration or addition has been made, only roller gins are used where the number of such gins is not more than four.";

(*b*) in clause (*a*) of sub-section (*4*), after the word, figure and brackets "sub-section (*1*)" the word, letter, figure and brackets, "sub-section (*1A*)" shall be inserted.

Amendment of section 14.

**3.** (*1*) Section 14 of the said Act shall be renumbered as sub-section (*1*) of section 14, and in the said section as so renumbered—

(*a*) for the words and figure "in accordance with section 4" the words and figure "with the mark prescribed under section 4 for the factory in which they were pressed," shall be substituted;

(*b*) the proviso shall be omitted.

(*2*) To the said section as so renumbered the following sub-section shall be added, namely:—

"(*2*) Any bale marked in accordance with the provisions of section 4 shall, within the meaning of the Indian Evidence Act, 1872, be presumed for all purposes as between the parties to a contract for the purchase of baled cotton, to have been so marked before leaving the factory in which it was pressed." 1 of 1872.

## STATEMENT OF OBJECTS AND REASONS.

The Cotton Ginning and Pressing Factories Act was passed in 1925, with the object of putting the trade in a position to protect itself against such malpractices as damping, mixing and adulteration which are injurious to the quality and reputation of Indian Cotton. Briefly, the Act provides *inter alia* for the marking of bales pressed so as to enable the pressing factory and the owner of the bales to be traced in cases of malpractices. It further lays down that unmarked bales are not tenderable in fulfilment of a contract, if marked bales are demanded by the purchaser.

2. The cotton dealers have represented that a rigid application of section 14 of the Act which confers on a person, who had made a contract for the purchase of baled cotton, the right to reject a bale in fulfilment of a contract, if it is not marked as required by the law, causes great hardship to the trade, in that it enables purchasers to declare cotton not a fair tender even if there are only minor technical faults in marking which are far less important than the special press mark prescribed for the factory. The Indian Central Cotton Committee which is concerned with the improvement and development of the growing, marketing and manufacture of cotton in India have urged that this section should be amended in such a manner that the right of a purchaser to reject a bale of cotton is limited to cases in which the bale does not bear the special mark prescribed for the factory under section 4 (*1*) of the Act, and that if bales are correctly marked it should be presumed as between the buyer and the seller that they were marked before leaving the factory.

3. The Committee have also recommended an amendment of section 9 of the Act as complaints have been received that in certain cotton ginning and pressing factories the construction of which was completed or commenced before the Act came into operation, additions and alterations are made which are not in accordance with prescribed plans and specifications. It is accordingly proposed to so amend this section as to render the factory owner making alterations and additions to his factory liable to cause the alterations and additions to conform to the requirements which sub-section (*1*) of section 9 would have caused to attach to an original construction in so far as those requirements are directly relevant to the alteration or addition and so far as the alteration or addition is separable *vis-a-vis* the requirements from the structure as a whole.

4. The Bill proposes to give effect to the above proposals and advantage is taken to delete the proviso to section 14 of the Act.

**8.** The provisions of this Act shall be in addition to, and not in derogation of, the provisions of the Foreigners Act, 1864 and any other law for the time being in force. III of 1864.

## STATEMENT OF OBJECTS AND REASONS.

Apart from the fact that from the Census Report of 1931 it is known that in that year there were in India some 450,000 persons who stated that they had been born outside His Majesty's dominions, there is no information as to the number, nationality and whereabouts of foreigners in India, nor, in the absence of any statutory obligation on foreigners to report their presence and movements, is it possible to obtain such information. The only law which provides for the registration of foreigners as a class is that which is contained in sections 6 to 9 of the Foreigners Act (III of 1864). Those provisions, however, are intended for use in emergency only, and, apart from this, even if they were brought into force, they would apply only to foreigners arriving, and not to those already resident, in British India. In the majority of other countries, both within and outside the British Commonwealth, foreign visitors and residents are required to report their presence and movements to specified authorities, and the Governments of those countries are thereby possessed at all times of complete information as to the number and whereabouts of foreigners in their countries. It is desirable that the Government of India should also be at all times in possession of similar information, not only because it may be required for the purpose of national defence but also because, in its absence, it has from time to time been impossible to reply satisfactorily to questions asked in the Legislature and much difficulty and inconvenience has also been experienced in replying to enquiries as to the whereabouts of foreigners in India which have been received from their relatives.

The Bill which is based upon provisions contained in the Foreigners Act, 1864, the British Aliens Restriction Act, 1914 and the British Aliens Order of 1920 is intended to provide the statutory powers necessary for the collection of such information.

### NOTES ON CLAUSES.

*Clause 2.*—The exclusion of consular and diplomatic officers is based on usage which is recognised in the proviso to section 5 of the Foreigners Act of 1864 and in Article 22 of the British Aliens Order, 1920.

*Clause 3 (i).—Clauses (a), (b) and (c)* are required to provide for the preparation of a register and for its subsequent maintenance. Analogies exist in clause (*f*) of sub-section (*1*) of section 1 of the British Aliens Restriction Act, 1914, in Article 6 of the British Aliens Order of 1919, and in part, in sections 6 and 7 of the Foreigners Act of 1864.

(*ii*) *Clause (d).*—Except at the time of entry into British India there is at present no power to demand of any person the production of his passport or proof of identity. This clause which is analogous to Article 6 (*1*) (*a*), (*b*) and (*e*) of the British Aliens Order, 1920, is intended to confer this power.

(*iii*) *Clause (e).*—This provision is based upon Article 7 of the British Aliens Order of 1920 and is primarily intended for use in the case of hotels.

(*iv*) *Clause (f).*—This clause has affinity with sections 20 to 22 of the Foreigners Act of 1864, clause (*h*) of sub-section (*1*) of section 1 of the British Aliens Restriction Act, 1914 and Article 5 of the British Aliens Order of 1920. The co-operation of shipping companies will greatly facilitate the administration of the Act to the advantage not only of the authorities but also of foreigners themselves.

*Clause 4.*—Is based upon section 2 of the Foreigners Act, 1864, and sub-section (*4*) of section 1 of the British Aliens Restriction Act of 1914.

*Clause 6.*—While clause 2 provides for certain exclusions it is proposed to exempt young persons and such other persons as should not be required to register by orders of exemption. Analogies exist in section 25 of the Foreigners Act, 1864 and Article 14 of the British Aliens Order of 1920.

6. Mica-cutting and splitting.
7. Shellac manufacture.
8. Soap manufacture.
9. Tanning.
10. Wool cleaning."

## STATEMENT OF OBJECTS AND REASONS.

The Royal Commission on Labour drew attention to the serious abuses prevalent in many establishments not subject to the Factories Act. In particular mention is made of the employment of children, often at a very early age, in various offensive, and in some cases dangerous, occupations. The Bill is intended to prohibit the employment of children under 12 on premises carrying on the occupations enumerated in the Schedule, which have been selected either because they are unhealthy or commonly accompanied by exploitation of child labour. Provincial Governments, who have been consulted, are given full power to amend the Schedule.

### Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 27th February, 1939:—

L. A. BILL No. 24 OF 1939.

*A Bill further to amend the Workmen's Compensation Act, 1923 for a certain purpose.*

WHEREAS doubts have been entertained whether a workman employed on wages payable otherwise than by the month or on a monthly basis may be a workman within the meaning of the Workmen's Compensation Act, 1923; VIII of 1923.

AND WHEREAS it is expedient to remove those doubts, and for that purpose further to amend section 5 of that Act in the manner hereinafter appearing;

It is hereby enacted as follows:—

**Short title and commencement.**

**1.** (*1*) This Act may be called the Workmen's Compensation (Amendment) Act, 1939.

(2) It shall come into force on the 1st day of May, 1939:

Provided that section 2 shall be deemed to have taken effect from the 30th day of June, 1934.

**Amendment of section 5 of Act VIII of 1923.**

**2.** In section 5 of the Workmen's Compensation Act, 1923—

(*a*) for the words "For the purposes of this Act the monthly wages of a workman shall be calculated" the following shall be substituted, namely:—

"In this Act and for the purposes thereof the expression "monthly wages" means the amount of wages deemed to be payable for a month's service (whether the wages are payable by the month or by whatever other period or at piece rates), and calculated";

(*b*) in clause (*b*), the words "deemed to be" shall be omitted.

**Restoration of proceedings.**

**3.** Where in any proceedings under the Workmen's Compensation Act, 1923, concluded after the 1st day of July, 1934, any person has been found by a Court not to be a workman within the meaning of that Act only by reason of the fact that his wages were payable otherwise than by the month or on a monthly basis, such finding shall be void and of no effect; and the Court shall, notwithstanding anything to the contrary in the Indian Limitation Act, 1908 or any other law for the time being in force, on application made within six months from the commencement of this Act by any person prejudicially affected by such finding, restore the proceedings at, and continue the proceedings from, the stage reached immediately before the order embodying or based on such finding was made. VIII of 1923. IX of 1908.

## STATEMENT OF OBJECTS AND REASONS.

Conflicting decisions of High Courts have raised doubts as to whether on account of the expression "employed on monthly wages" occurring in the definition of "workman" in the Workmen's Compensation Act, 1923 a worker whose wages are paid otherwise than by the month or on a monthly basis can under any circumstances claim the benefits of that Act. That a worker should be so debarred on that ground alone was never the intention of the Act, and to remove these doubts a more formal definition of the expression "monthly wages" is now proposed. The Bill also contains a provision enabling a workman whose claim has been rejected on the above ground to have the investigation of his claim reopened.

## GOVERNMENT OF INDIA.

### Legislative Department.

The following Bill was introduced in the Council of State on the 27th February, 1939:—

C. OF S. BILL No. 2 OF 1939.

*A Bill to amend the Parsi Marriage and Divorce Act, 1936.*

WHEREAS it is expedient to amend the Parsi Marriage and Divorce Act, 1936; It is hereby enacted as follows:—

**1.** This Act may be called the Parsi Marriage and Divorce (Amendment) Act, 1939.

**2.** In section 40 of the Parsi Marriage and Divorce Act, 1936,— III of 1936.

(*a*) in sub-section (*1*), after the words "the husband shall" the words "while the wife remains chaste and unmarried" shall be inserted;

(*b*) in clause (*a*) of sub-section (*1*), the words "while she remains chaste and unmarried" shall be omitted;

(*c*) after sub-section (*2*) the following sub-section shall be added:—

"(*3*) All orders for alimony or maintenance in favour of the wife made either under the provisions of the Parsi Marriage and Divorce Act, 1865, or under the provisions of this Act, shall cease to have effect if after the passing of such orders the wife has re-married or has not remained chaste."

## STATEMENT OF OBJECTS AND REASONS.

The Parsi Marriage and Divorce Act (XV of 1865) was found defective and wanting in numerous respect to answer the present day needs of the community and considerable agitation was carried on for number of years by the members of the Parsi community and by the Parsi press all over India for the purpose of amending the said Act of 1865 with a view to bring it in conformity with the present day needs of the community. Accordingly, the Act of 1865 was repealed and the Parsi Marriage and Divorce Act, 1936, was passed on 23rd April, 1936.

2. Among the changes introduced by the Act of 1936 was a change in the law with regard to the payment of permanent alimony to the wife on the passing of any decree under the Act. There was a strong expression of opinion in the community that the payment of permanent alimony to the wife should continue only while she remained chaste and unmarried and be discontinued if she either did not remain chaste or if she remarried. The law relating to grant of permanent alimony was therefore changed by section 40 of the Act of 1936.

3. Section 40, sub-section (*1*), of the Act of 1936 provided therefore as follows:—

"40. (*1*) The Court may, if it shall think fit at the time of passing any decree under this Act or subsequently thereto on application made to it for the purpose, order that the husband shall—

(*a*) to the satisfaction of the Court, secure to the wife while she remains chaste and unmarried such gross sum or such monthly or periodical payment of money for a term not exceeding her life as, having regard to her own property, if any, her husband's ability and the conduct of

the parties, shall be deemed just, and for that purpose may require a proper instrument to be executed by all necessary parties and suspend the pronouncing of its decree until such instruments shall have been duly executed, or

(*b*) make such monthly payments to the wife for her maintenance and support as the Court may think reasonable.

In case any such order shall not be obeyed by her husband it may be enforced in the manner provided for the execution of decrees and orders under the Code of Civil Procedure, 1908, and further the husband may be sued by any person supplying the wife with necessaries during the time of such disobedience for the price of such necessaries."

4. It will be noticed that the order for payment of permanent alimony to the wife as contemplated by clauses (*a*) and (*b*) of sub-section (*1*) of section 40 covers two cases. In the one case, *viz.*, that covered by clause (*a*), the payment is "secured" by a charge on the husband's property; in the other case, *viz.*, that covered by clause (*b*), it is a personal order on the husband to make "monthly payments" to the wife. It will also be noticed that in the first case covered by clause (*a*) the intention, namely, that the payment is to continue only till the chastity or remarriage of the wife, is clearly expressed, whereas in the second case covered by clause (*b*) the said intention is erroneously omitted to be expressed by the Legislature.

5. The intention of the framers of the Act of 1936 definitely was to make the payment of alimony of any sort cease if the wife at any time after the order for alimony either became unchaste or remarried. Unfortunately, however, the expression "while she remains chaste and unmarried" which should properly have found place in the beginning before clauses (*a*) and (*b*) so as to cover both the said clauses was placed in clause (*a*) and inadvertently omitted from clause (*b*). This has caused injustice to parties and the Bombay High Court, in a matter which came up before it in Appeal (*vide* 38 Bombay Law Reporter page 836 Maneckbai Nadirshaw Vachha *vs.* Nadirshaw Jamshedji Vachha), expressed the inability to give effect to the intention of the framers of the Act of 1936 in view of the language employed in section 40 of the Act of 1936.

6. Amending the Act is therefore intended to remove the doubt and to express more clearly the intention of the framers of the Act.

*Note.*—The rules concerning lights made under section 52 of the Inland Steam-Vessels Act, 1917 (I of 1917), shall apply to all such steam-vessels in motion in the khal between sunset and sunrise.

3. At places where mooring posts have been provided by the Supervisor, vessels desiring to moor shall be made fast in a single line along the banks to such posts in such manner as the Supervisor may direct and shall not be moored in any other manner.

4. No vessel shall be placed in such a position or navigated in such a way as to endanger the safety or obstruct the passage of other vessels.

No. 6-I.—19th February 1939.—It is hereby notified for general information that in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), and in supersession of notification No. 17-I., dated the 16th September 1930, the Governor intends to make the following rules and fix the following rates of tolls for the line of navigation known as the Roypasa-Nathullabad-Jail Khal in the district of Bakarganj and as defined in notifications No. 9-I., dated 22nd July 1930, and No. 3-I., dated the 19th February 1939.

2. Any objection or suggestion with respect to the said rules and rates of tolls should reach the undersigned before the 7th April 1939.

**Rules and Rates of Tolls.**

1. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the District Board of Bakarganj on this behalf.

2. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

*Class I*—To include all vessels of the types of country boats, including saltees and hapors (fish cages), house boats, Kosh boats, green boats and other similar types of boats.

*Class II*—To include steam boats, motor boats, flats and barges and other square built vessels.

3. The maundage of every vessel, whether laden or empty shall, for the purpose of the Canals Act, 1864, and of these rules, be determined by the following measurements:—

*Class I.*

A. The product of one quarter of the length of the vessel from stem to stern, measured along the water-line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder of less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

*Class II.*

For vessels of class II the number of maunds obtained by the system of measurement prescribed for vessels of class I shall be increased by one-half. For vessels of this class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats the maundage determined as above shall be reduced by one-third as an allowance of engine space.

For vessels of class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be) be taken as the maundage on which tolls will be charged.

4. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which shall be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

5. Every ticket shall have entered on it the name of the serang, manjee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and the number of days for which the ticket remains current.

6. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

7. The ticket shall be kept on board the vessel and in possession of the person in charge of the vessel and shall be produced for inspection when demanded by the person authorised to collect tolls, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 3 and 12 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provisions of section 9 of the Act.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one-quarter of the total tollage, subject to a minimum fee of one anna per ticket.

9. All vessels, whether the property of Crown, of District Board, or other local bodies or of private persons, are liable for toll except those specially exempted under these rules or by a resolution passed by the district board of Bakarganj from time to time.

10. The canal may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the canal may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

11. No rafts exceeding 50 feet in length and 5 feet in breadth shall be permitted to enter the canals.

12. The rate of toll shall be as follows:—

(*1*) On all vessels empty or laden per hundred maunds—Twelve annas.

(*2*) On all vessels empty or laden, for 12½ maunds or less—One anna six pies.

(*3*) On rafts of bamboos, grass, timber or other similar articles, not exceeding 50 feet in length and 5 feet in breadth—Six annas each raft.

Tolls shall be levied at Barisal or at Amanotganj near Barisal Chowk Bazar, at Kawnia near old cremation ground (at the west end of Jail khal), at Defulia near Baniakati bridge and at North Karapur (Bagadhi) at the west end.

13. For boats frequently using the canal, such as boats carrying passengers, grass or perishable articles monthly tickets will be issued at 10 times the ordinary toll.

14. Every vessel which has paid toll shall be allowed to remain in the canal for three days inclusive of the days of entry into and leaving the canal. A vessel remaining in any part of the canal longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the canal for more than one month, i.e., provided that this rule shall not apply to vessels holding monthly tickets under rule 13, which may remain in the canal for more than three days without payment of demurrage but not for more than one month at a time.

15. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the canal referred to in these rules while on duty, shall be liable for toll in the canal.

16. Any matter relating to the mode of collection of tolls and other relevant points, not provided for in these rules, shall be decided by the district board of Bakarganj at a meeting and such decision shall be subject to the approval of the Provincial Government.

### LICENSING OF DRIVERS OF MOTOR VEHICLES.

Necessity for driving licence

**3.** (*1*) No person shall drive a motor vehicle in any public place unless he holds an effective licence issued to himself authorising him to drive the vehicle; and no person shall so drive a motor vehicle as a paid employee or shall so drive a public service vehicle unless his licence specifically entitles him so to do.

(*2*) A Provincial Government may prescribe the conditions subject to which sub-section (*1*) shall not apply to a person receiving instruction in driving a motor vehicle.

(*3*) Nothing contained in sub-section (*1*) shall for a period of twelve months after the commencement of this Act invalidate a licence to drive a motor vehicle issued by a competent authority under the provisions of the Indian Motor Vehicles Act, 1914. VIII of 1914.

Age limit in connection with driving of motor vehicles

**4.** (*1*) No person under the age of eighteen years shall drive a motor vehicle in any public place.

(*2*) Subject to the provisions of section 14, no person under the age of twenty years shall drive a transport vehicle in any public place.

(*3*) Nothing contained in sub-section (*1*) or sub-section (*2*) shall prevent any person who, before the commencement of this Act, possessed a licence to drive a motor vehicle from obtaining a licence to drive a motor vehicle of the same class.

Responsibility of owners of motor vehicles for contraventions of sections 3 and 4.

**5.** No owner or person in charge of a motor vehicle shall cause or permit any person who does not satisfy the provisions of section 3 or section 4 to drive the vehicle.

Restrictions on the holding of licences.

**6.** (*1*) No person shall, while he holds any licence for the time being in force, hold any other licence except a licence issued in accordance with the provisions of section 14, or a document authorising, in accordance with the rules made under section 92, the person specified therein to drive a motor vehicle.

(*2*) No holder of a licence shall permit it to be used by any other person.

(*3*) Nothing in this section shall prevent a licensing authority having the jurisdiction referred to in sub-section (*1*) of section 7 from adding to the classes of vehicle which the licence authorises the holder to drive.

Grant of licence.

**7.** (*1*) Any person who is not disqualified under section 4 for driving a motor vehicle and who is not for the time being disqualified for holding or obtaining a licence may apply to the licensing authority having jurisdiction in the area in which he ordinarily resides or carries on business or, if the application is for a licence to drive as a paid employee, in which the employer resides or carries on business, for the issue to him of a licence.

(*2*) Every application under sub-section (*1*) shall be in Form A as set forth in the First Schedule, shall be signed by, or bear the thumb impression of, the applicant in two places, and shall contain the information required by the form.

(*3*) Where the application is for a licence to drive as a paid employee or to drive a transport vehicle, or where in any other case the licensing authority for reasons to be stated in writing so requires, the application shall be accompanied by a medical certificate in Form C, as set forth in the First Schedule, signed by a registered medical practitioner.

(*4*) Every application for a licence to drive as a paid employee and every application for a licence to drive a transport vehicle shall be accompanied by three clear copies of a recent photograph of the applicant.

(*5*) If, from the application or from the medical certificate referred to in sub-section (*3*), it appears that the applicant is suffering from any disease or disability specified in the Second Schedule or any other disease or disability which is likely to cause the driving by him of a motor vehicle of the class which he would be authorised by the licence applied for to drive to be a source of danger to the public or to the passengers, the licensing authority shall refuse the licence:

Provided that—

(*a*) a licence limited to driving an invalid carriage may be issued to the applicant, if the licensing authority is satisfied that he is fit to drive such a carriage,

(*b*) the applicant may, except where he suffers from a disease or disability specified in the Second Schedule, claim to be subjected to a test of his fitness or ability to drive a motor vehicle of a particular construction or design, and, if he passes such test to the satisfaction of the licensing authority and is not otherwise disqualified, the licensing authority shall grant him a licence to drive such motor vehicle as the licensing authority may specify in the licence.

(6) No licence shall be issued to any applicant unless—

(a) he passes to the satisfaction of the licensing authority the test of competence to drive specified in the Third Schedule, or

(b) where the application is made within twelve months from the commencement of this Act, he satisfies the licensing authority that he was at the commencement of this Act the holder of a current licence granted under the provisions of the Indian Motor Vehicles Act, 1914, entitling him to drive a vehicle of the class or description which he would be entitled to drive under the licence applied for: VIII of 1914.

Provided that, where the application is for a licence to drive a motor cycle or a motor car, the licensing authority shall exempt the applicant from Part I of the test specified in the Third Schedule if the licensing authority is satisfied that the applicant has previously held a licence to drive and has had not less than twelve months' recent experience of driving a motor cycle or a motor car, as the case may be:

Provided further that where the application is for a licence to drive a motor vehicle (not being a transport vehicle) otherwise than as a paid employee, the licensing authority may exempt the applicant from Part I of the test specified in the Third Schedule if the applicant possesses a driving certificate issued by an automobile association recognised in this behalf by the Provincial Government.

(7) The test of competence to drive shall be carried out in a vehicle of the type to which the application refers, and, for the purposes of Part I of the test,—

(a) a person who passes the test in driving a motor car or a motor cab or a delivery van shall be deemed to have passed the test for all of these vehicles;

(b) a person who passes the test in driving a light transport vehicle shall be deemed also to have passed the test in driving the vehicles referred to in clause (a); and

(c) a person who passes the test in driving a heavy transport vehicle shall be deemed also to have passed the test in driving any motor vehicle other than a motor cycle.

(8) When an application has been duly made to the appropriate licensing authority and the applicant has satisfied such authority of his physical fitness and of his competence to drive and has paid to the authority a fee of five rupees, the licensing authority shall grant the applicant a licence unless the applicant is disqualified under section 4 for driving a motor vehicle or is for the time being disqualified for holding or obtaining a licence:

Provided that—

(a) the fee for a licence issued in accordance with the provisions of clause (b) of sub-section (6) shall be three rupees only, and

(b) a licensing authority may issue a licence to drive a motor cycle or a motor car notwithstanding that it is not the appropriate licensing authority, if the licensing authority is satisfied that there is good reason for the applicant's inability to apply to the appropriate licensing authority.

Form and contents of licence

**8.** (*1*) Every licence, except a licence issued under section 14, shall be in Form D as set forth in the First Schedule and shall have affixed thereto one of the signatures or thumb impressions given on the form of application for the licence and, in the case of a licence to drive as a paid employee or to drive a transport vehicle, one of the photographs referred to in sub-section (*4*) of section 7.

(*2*) A licence shall specify whether the holder is entitled to drive as a paid employee and whether he is entitled to drive a public service vehicle and shall further be expressed as entitling the holder to drive a motor vehicle of one or more of the following classes, namely:—

(*a*) motor cycle,
(*b*) motor car,
(*c*) motor cab,
(*d*) delivery van,
(*e*) light transport vehicle,
(*f*) heavy transport vehicle,
(*g*) locomotive,
(*h*) tractor,
(*i*) road-roller,
(*j*) invalid carriage, or
(*k*) motor vehicle of a specified description.

Extent of validity of licence

**9.** (*1*) Subject to any rules made by a Provincial Government under sub-section (*3*), a licence issued under the foregoing sections shall be effective throughout British India.

(*2*) Subject, in the case of international driving permits issued in pursuance of the International Convention relative to motor traffic concluded at Paris on the 24th day of April, 1926, or of any Convention modifying the same, to any rules made by the Central Government under section 92 and subject in any other case to the provisions of sub-section (*4*), a licence to drive a motor vehicle issued by a competent authority in any Indian State or in the French or Portuguese Settlements bounded by India shall, if the holder is ordinarily resident in the State or Settlement in which the licence was issued, be valid throughout British India as if it were a licence issued under this Act:

Provided that such holder is not disqualified under any of the provisions of this Act for holding or obtaining a licence in British India.

(*3*) A Provincial Government may, by rules made under section 21,—

(*a*) provide that a specification entitling the holder of a licence to drive a public service vehicle shall be made in the license only by or under the authority of the Regional Transport Authority constituted under Chapter IV,

(*b*) regulate the submission of applications for such licences to the said authority, or

(*c*) require as a condition of its validity in a province that a licence entitling the holder to drive a public service vehicle shall be countersigned by a prescribed authority in the province.

(*4*) If the Central Government is satisfied that licences issued in British India under this Act are not effective in any Indian State or French or Portuguese Settlement bounded by India or are effective subject to unreasonable conditions or that like conditions and requirements to those imposed by this Act are not imposed in a reasonable degree upon the issue of licences in any State or Settlement as aforesaid, the Central Government shall, by notification in the official Gazette, declare that licences generally or any particular class of licence issued in any such State or Settlement shall not be valid in British India.

Currency of licences.

**10.** A licence issued under the foregoing sections shall, subject to the provisions contained in this Act as to the cancellation of licences and the disqualification of holders of licences for holding or obtaining licences, be effective without renewal for a period of twelve months only from the date of issue or last renewal.

Renewal of licences.

**11.** (*1*) Any licensing authority may on application made to it renew a licence issued under the provisions of this Act.

(*2*) An application for the renewal of a licence shall be made in Form B as set forth in the First Schedule and shall contain the declaration required by that form; provided that where the applicant does not or is unable to subscribe to the said declaration the provisions of sub-section (*5*) of section 7 shall apply.

(*3*) The fee payable for the renewal of a licence shall be three rupees, if the application for renewal is made previous to, or not more than fifteen days subsequent to, the date on which the licence is due to expire and shall be five rupees in any other case, unless the licensing authority is satisfied that the holder was prevented by good cause from applying for the renewal of the licence within fifteen days after its expiry.

(*4*) When the authority renewing the licence is not the authority which issued the licence, it shall intimate the fact of renewal to the authority which issued the licence.

Revocation of licence on grounds of disease or disability.

**12.** Notwithstanding anything contained in the foregoing sections, a licensing authority may at any time revoke a licence issued by it, or may require, as a condition of continuing to hold such licence, the holder thereof to furnish a fresh medical certificate in Form C as set forth in the First Schedule signed as required by sub-section (*3*) of section 7, if the licensing authority has reasonable grounds to believe that the holder of the licence is, by virtue of any disease or disability, unfit to drive a motor vehicle.

Orders refusing or revoking licences and appeals therefrom.

**13.** (*1*) Where the licensing authority refuses to issue or revokes or refuses to renew any licence, it shall do so by an order communicated to the applicant or the holder, as the case may be, giving the reasons in writing for such refusal or revocation.

(c) has by his previous conduct as driver of a motor vehicle shown that his driving is likely to be attended with danger to the public,

Transfer of endorsement and issue of licence free from endorsement.

**20.** (1) An endorsement on any licence shall be transferred to any new or duplicate licence obtained by the holder thereof until the holder becomes entitled under the provisions of this section to have a licence issued to him free from endorsement.

(2) Where a licence is required to be endorsed and the licence is at the time not in the possession of the Court or authority by which the endorsement is to be made then—

(a) if the person in respect of whom the endorsement is to be made is at the time the holder of a licence, he shall produce the licence to the Court or authority within five days, or such longer time as the Court or authority may fix, or

(b) if, not being then the holder of a licence, he subsequently obtains a licence, he shall within five days after obtaining the licence produce it to the Court or authority;

and if the licence is not produced within the time specified it shall on the expiration of such time be of no effect until it is produced for the purpose of endorsement.

(3) A person whose licence has been endorsed shall, if during a continuous period of three years since the last endorsement was made no further order of endorsement has been made against him, be entitled, on surrendering his licence and on payment of a fee of five rupees, to receive a new licence free from all endorsements. If the endorsement was only in respect of exceeding a speed limit, he shall be entitled to have a clean licence issued on the expiration of one year from the date of the order:

Provided that in reckoning the said period of three years and one year, respectively, any period during which the said person was disqualified for holding or obtaining a licence shall be excluded.

(4) When a licence is endorsed by or an order of endorsement is made by any Court, the Court shall send particulars of the endorsement or order, as the case may be, to the licensing authority by which the licence was last renewed and to the licensing authority which granted the licence.

(5) Where the holder of a licence is disqualified by the order of any Court for holding or obtaining a licence, the Court shall take possession of the licence and forward it to the licensing authority by which it was granted or last renewed and that authority shall keep the licence until the disqualification has expired or has been removed and the person entitled to the licence has made a demand in writing for its return to him:

Provided that, if the disqualification is limited to the driving of a motor vehicle of a particular class or description, the Court shall endorse the licence to this effect and shall send a copy of the order of disqualification to the licensing authority by which the licence was granted and shall return the licence to the holder.

(6) Where on an appeal against any conviction or order of a Court which has been endorsed on a licence, the appellate Court varies or sets aside the conviction or order, the appellate Court shall inform the licensing authority by which the licence was last renewed and the licensing authority which granted the licence, and shall amend or cause to be amended the endorsement of such conviction or order.

Power to make rules.

**21.** (1) A Provincial Government may make rules for the purpose of carrying into effect the provisions of this Chapter.

(2) Without prejudice to the generality of the foregoing power, such rules may provide for—

(a) the appointment, jurisdiction, control and functions of licensing authorities and other prescribed authorities;

(b) for the conduct and hearing of appeals that may be preferred under this Chapter;

## CHAPTER III.

### REGISTRATION OF MOTOR VEHICLES.

Necessity for registration.

**22.** (1) No person shall drive any motor vehicle and no owner of a motor vehicle shall cause or permit the vehicle to be driven in any public place or in any other place for the purpose of carrying passengers or goods unless the vehicle is registered in accordance with this Chapter and the certificate of registration of the vehicle has not been suspended or cancelled and the vehicle carries a registration mark displayed in the prescribed manner.

(2) Nothing in this section shall apply to a motor vehicle while being driven within the limits of jurisdiction of one registering authority to or from the appropriate place of registration for the purpose of being registered under section 23, 25 or 39 or to a motor vehicle exempted from the provisions of this Chapter while in the possession of a dealer in motor vehicles.

Registration, where to be made.

**23.** (1) Subject to the provisions of section 25 and section 39, every owner of a motor vehicle shall cause the vehicle to be registered by a registering authority in the province in which he has the residence or place of business where the vehicle is normally kept.

(2) A motor vehicle already registered under any enactment in force in British India at the commencement of this Act shall be deemed to be registered under this Act until the 1st day of April, 1941, and on the application of the owner before that date shall be registered under this Act without payment of any registration fee.

(3) A Provincial Government may, by rules made under section 41, provide that within a prescribed period certificates of registration of any prescribed class of transport vehicles deemed to be registered under this Act by virtue of sub-section (2) shall be presented to a prescribed authority for the entry therein of all or any of the particulars specified in section 37.

Registration how to be made.

**24.** (1) An application by or on behalf of the owner of a motor vehicle for registration shall be in Form E as set forth in the First Schedule, shall contain the information required by that form, and shall be accompanied by the prescribed fee.

(2) The registering authority shall issue to the owner of a motor vehicle registered by it a certificate of registration in Form G as set forth in the First Schedule and shall enter in a record to be kept by it particulars of such certificate.

(3) The registering authority shall assign to the vehicle, for display thereon in the prescribed manner, a distinguishing mark (in this Act referred to as the registration mark) consisting of one of the groups of letters allotted to the province by the Sixth Schedule followed by a number containing not more than four figures.

Temporary registration

**25.** (1) Notwithstanding anything contained in section 23, the owner of a motor vehicle may apply to any registering authority to have the vehicle temporarily registered in the prescribed manner and for the issue in the prescribed manner of a temporary certificate of registration and a temporary registration mark.

(2) A registration made under this section shall be valid only for a period not exceeding one month, and shall not be renewable.

Production of vehicle at time of registration.

**26.** The registering authority may before proceeding to register a motor vehicle require the person applying for registration of the vehicle to produce the vehicle either before itself or such authority as the Provincial Government may by order appoint in order that the registering authority may satisfy itself that the particulars contained in the application are true and that the vehicle complies with the requirements of Chapter V and of the rules made thereunder.

Refusal of registration.

**27.** The registering authority may refuse to register any motor vehicle if the vehicle is mechanically defective or fails to comply with the requirements of Chapter V or of the rules made thereunder, or if the applicant fails to furnish particulars of any previous registration of the vehicle, and it shall furnish the applicant whose vehicle is refused registration with the reasons in writing for such refusal.

Effectiveness in British India of registration.

**28.** (*1*) Subject to the provisions of section 29, a motor vehicle registered in accordance with this Chapter in any province or deemed to be registered under this Act shall not require to be registered elsewhere in British India and a certificate of registration issued or in force under this Act in respect of such vehicle shall be effective throughout British India:

Provided that the Provincial Government may, by rules made under section 41, provide that the certificates of registration of transport vehicles of any prescribed class issued by an authority not within the province and effective by virtue of sub-section (*2*) of section 23 shall not be valid unless they contain the particulars specified in section 37 or such of those particulars as may be prescribed.

(*2*) Subject, in the case of international motor vehicle certificates issued in pursuance of the International Convention relative to motor traffic concluded at Paris on the 24th day of April, 1926, to any rules made by the Central Government under section 92, and subject in any other case to the provisions of sub-section (*1*) of section 23 and sub-section (*3*) and sub-section (*4*) of this section, a motor vehicle registered by a competent authority in any Indian State or in the French or Portuguese Settlements bounded by India shall not require to be registered in British India:

Provided that there is in force in respect of the vehicle a certificate conforming to and containing substantially the same particulars as the certificate of registration in Form G as set forth in the First Schedule issued by such competent authority in respect of such vehicle.

(*3*) A certificate complying with the requirements of the proviso to sub-section (*2*) shall be effective throughout British India as if it were a certificate of registration issued under this Act.

(*4*) Sub-section (*2*) shall not apply to any motor vehicle previously registered in British India, if the certificate of registration of the vehicle in British India is for the time being suspended or cancelled for any reason other than that of permanent removal of the vehicle from British India.

(*5*) If at any time the Central Government is satisfied that motor vehicles registered in British India under this Act are not permitted to be driven in any Indian State or French or Portuguese Settlement without fresh registration in such State or Settlement, or are permitted to be driven only subject to unreasonable conditions or that like conditions and requirements to those imposed under this Act (including the specification of the particulars required by Form G as set forth in the First Schedule) are not imposed in a reasonable degree upon the issue and for the continued effectiveness of certificates of registration in any State or Settlement as aforesaid, the Central Government shall, by notification in the official Gazette, declare that certificates of registration generally or in respect of any particular class of motor vehicle issued in any such State or Settlement shall not be effective in British India.

Assignment of fresh registration mark on removal to another province.

**29.** (*1*) When a motor vehicle registered in one province has been kept in another province for a period exceeding twelve months, the owner of the vehicle shall apply to the registering authority, within whose jurisdiction the vehicle then is, for the assignment of a new registration mark and shall present the certificate of registration to that registering authority.

(*2*) The registering authority, to which application is made under sub-section (*1*), shall assign the vehicle a registration mark in accordance with the Sixth Schedule to be carried thenceforth on the vehicle and shall enter the mark upon the certificate of registration before returning it to the applicant and shall, in communication with the registering authority by whom the vehicle was previously registered, arrange for the transfer of the registration of the vehicle from the records of that registering authority to its own records.

(*3*) A Provincial Government may make rules under section 41 requiring the owner of a motor vehicle not registered within the province, which is brought into or is for the time being in the province, to furnish to a prescribed authority in the province such information with respect to the motor vehicle and its registration as may be prescribed.

Change of residence or place of business.

**30.** (*1*) If the owner of a motor vehicle ceases to reside or have his place of business at the address recorded in the certificate of registration of the vehicle, he shall, within thirty days of any such change of address, intimate his new address to the registering authority by which the certificate of registration was issued or, if the new address is within the jurisdiction of another registering authority, to that other registering authority, and shall at the same time forward the certificate of registration to the registering authority in order that the new address may be entered therein.

(*2*) A registering authority other than the original registering authority making any such entry shall communicate the altered address to the original registering authority.

(*3*) Nothing in sub-section (*1*) shall apply where the change of the address recorded in the certificate of registration is due to a temporary absence not intended to exceed six months in duration or where the motor vehicle is neither used nor removed from the address recorded in the certificate of registration.

Transfer of ownership.

**31.** (*1*) Within thirty days of the transfer of ownership of any motor vehicle registered under this Chapter, the transferee shall report the transfer to the registering authority within whose jurisdiction he resides and shall forward the certificate of registration to that registering authority together with the prescribed fee in order that particulars of the transfer of ownership may be entered therein.

(*2*) A registering authority other than the original registering authority making any such entry shall communicate the transfer of ownership to the original registering authority.

Alteration in motor vehicle.

**32.** (*1*) If a motor vehicle is so altered that the particulars contained in the certificate of registration are no longer accurate, the owner of the vehicle shall, within fourteen days of the making of any such alteration, report the alteration to the registering authority within whose jurisdiction he resides and shall forward the certificate of registration to that authority together with the prescribed fee in order that particulars of the alteration may be entered therein:

Provided that it shall not be necessary to report any change in the unladen weight of the motor vehicle consequent on the addition or removal of fittings or accessories, if such change does not exceed two per cent. of the weight entered in the certificate of registration.

(2) A registering authority other than the original registering authority making any such entry shall communicate the details of the entry to the original registering authority.

Suspension of registration

**33.** (1) A registering authority or other prescribed authority, which has reason to believe that any motor vehicle within its jurisdiction is in such a condition that its use in a public place would constitute a danger to the public, or that it fails to comply with the requirements of Chapter V or of the rules made thereunder, may, after giving the owner an opportunity of making any representation he may wish to make, for reasons to be recorded in writing suspend the certificate of registration of the vehicle until the defects are remedied to its satisfaction.

(2) An authority other than a registering authority shall, when making a suspension order under sub-section (1), intimate in writing the fact of suspension and the reasons therefor to the registering authority within whose jurisdiction the vehicle is at the time of the suspension.

(3) Where the registration of a motor vehicle has been suspended under sub-section (1) for a continuous period of not less than one month, the registering authority, within whose jurisdiction the vehicle was when the registration was suspended, shall, if it is not the original registering authority, inform that authority of the suspension; and when the suspension has continued without interruption for a period of not less than six months, the registering authority, within whose jurisdiction the vehicle was when the registration was suspended, may, if it is the original registering authority, cancel the registration, and, if it is not the original registering authority, shall forward the certificate of registration to that authority which may cancel it forthwith.

(4) The owner of a motor vehicle shall, on the demand of a registering authority or other prescribed authority which has suspended the certificate of registration of the vehicle under this section, surrender the certificate of registration and any token or card issued to authorise the use of the vehicle in a public place.

(5) A certificate of registration and any token or card surrendered under sub-section (4) shall be returned to the owner when the order suspending registration has been rescinded and not before.

Cancellation of registration

**34.** (1) If a motor vehicle has been destroyed or has been rendered permanently incapable of use, the owner shall, within fourteen days or as soon as may be, report the fact to the registering authority within whose jurisdiction he resides and shall forward to that authority the certificate of registration of the vehicle together with any token or card issued to authorise the use of the vehicle in a public place.

(2) The registering authority shall, if it is the original registering authority, cancel the registration and the certificate of registration, or, if it is not, shall forward the report and the certificate of registration to the original registering authority and that authority shall cancel the registration and the certificate of registration.

(3) Any registering authority may order the examination of a motor vehicle within its jurisdiction by such authority as the Provincial Government may by order appoint and, if upon such examination and after giving the owner an opportunity to make any representation he may wish to make it is satisfied that the vehicle is in such a condition that its use in a public place would constitute a danger to the public and that it is beyond reasonable repair, may cancel the registration of the vehicle.

(4) If a registering authority is satisfied that a motor vehicle has been permanently removed out of British India, the registering authority shall cancel the registration.

(5) A registering authority cancelling the registration of a motor vehicle under section 33 or under this section shall communicate the fact in writing to the owner of the vehicle and the owner of the vehicle shall forthwith surrender to that authority the certificate of registration of the vehicle and any token or card issued to authorise the use of the vehicle in a public place.

(6) A registering authority making an order of cancellation under this section shall, if it is the original registering authority, cancel the certificate of registration and the entry relating to the vehicle in its records, and, if it is not the original registering authority, forward the certificate of registration to that authority, and that authority shall cancel the certificate of registration and the entry relating to the motor vehicle in its records.

(7) The expression "original registering authority" in this section and in sections 30, 31, 32 and 33 means the registering authority in whose records the registration of the vehicle is recorded.

Appeals.

**35.** (1) Any owner of a motor vehicle aggrieved by an order of refusal under section 27 to register a motor vehicle or under sub-section (1) of section 38 to issue a certificate of fitness or by an order of suspension or cancellation made under section 33 or 34 or by an order of cancellation under sub-section (3) of section 38 may, within thirty days of the date on which he has received notice of such order, appeal against the order to the prescribed authority.

(2) The appellate authority shall give notice of the appeal to the original authority and after giving opportunity to the original authority and the appellant to be heard either personally or by pleader in the appeal pass such orders as it thinks fit:

Provided that orders of the original authority shall remain in force pending the disposal of the appeal unless the appellate authority otherwise directs.

Special requirement for registration of transport vehicle.

**36.** (1) After the commencement of this Act, a registering authority shall refuse to register any transport vehicle other than a motor cab, unless the application for registration is accompanied by a document in Form F as set forth in the First Schedule signed by the maker of the vehicle or an assembler duly authorised by the maker in this behalf stating the greatest laden weight and greatest axle weights for which the vehicle is and the several axles are designed:

Provided that nothing in this sub-section shall apply to any application for the registration of a transport vehicle already registered under any enactment in force at the commencement of this Act.

(2) Where a transport vehicle or chassis, as the case may be, has affixed to it a metal plate, bearing the stamp of the maker or assembler and identified as appertaining to the particular vehicle or chassis to which it is attached, which contains the particulars specified in sub-section (1), that plate may at the discretion of a registering authority be deemed to be the document referred to in sub-section (1).

Special particulars to be recorded on registration of transport vehicle.

**37.** (1) A registering authority, when registering a transport vehicle other than a motor cab, shall enter in the record of registration and shall also enter in the certificate of registration of the vehicle the following particulars, namely:—

(a) the unladen weight of the vehicle;

(b) the number, nature and size of the tyres attached to each wheel;

(c) the registered laden weight of the vehicle and the registered axle weights pertaining to the several axles thereof, fixed in accordance with sub-section (2) with reference to the particulars of the tyres entered in the certificate of registration; and

(d) if the vehicle is used or adapted to be used for the carriage of passengers solely or in addition to goods, the number of passengers for whom accommodation is provided,

and the owner of the vehicle shall have the said particulars exhibited in the prescribed manner on the vehicle.

(2) Notwithstanding any statement contained in the document referred to in sub-section (1) of section 36 as supplied by the maker or assembler of a transport vehicle, the registered weight to be recorded by the registering authority for any axle shall not exceed the permissible weight for that axle calculated in accordance with the Seventh Schedule, nor shall the registered laden weight of the vehicle exceed the sum of the several axle weights as so determined:

Provided that where it appears to a Provincial Government that heavier weights than those specified in the Seventh Schedule may be permitted in a particular locality for vehicles of a particular type, the Provincial Government may by notification in the official Gazette direct that the provisions of this sub-section shall apply with such modifications as may be specified in the notification.

(3) When by reason of an alteration in the number, nature or size of tyres attached to the vehicle the registered laden weight or any registered axle weight recorded in the certificate of registration no longer accords with the laden weight or the axle weight as determined in accordance with sub-section (2), the provisions of section 32 shall apply, and the registering authority shall enter in the certificate of registration a revised registered laden weight and registered axle weights.

Certificate of fitness of transport vehicle.

**38.** (1) Subject to the provisions of section 39, a transport vehicle shall not be deemed to be validly registered for the purposes of section 22, unless it carries a certificate of fitness in Form H as set forth in the First Schedule, issued by the prescribed authority, to the effect that the vehicle complies for the time being with all the requirements of Chapter V and the rules made thereunder. Where the prescribed authority refuses to issue such certificate, it shall supply the owner of the vehicle with its reasons in writing for such refusal.

(2) Subject to the provisions of sub-section (3), a certificate of fitness shall remain effective for three years, unless a shorter period, not being in any case less than six months, is specified in the certificate by the prescribed authority.

(3) The issuing authority or other prescribed authority may for reasons to be recorded in writing cancel a certificate of fitness at any time, if satisfied that the vehicle to which it relates no longer complies with all the requirements of this Act and the rules made thereunder; and on such cancellation the certificate of registration of the vehicle and any permit granted in respect of the vehicle under Chapter IV shall be deemed to be suspended until a new certificate of fitness has been obtained.

(4) Notwithstanding anything contained in sub-section (1), a Provincial Government may, until the expiry of one year from the commencement of this Act, by rules made under section 41, dispense with the necessity for a certificate of fitness in the case of all or any transport vehicles in respect of which certificates of registration and permits had already been issued before the commencement of this Act.

Power to make rules.

**41.** (1) A Provincial Government may make rules for the purpose of carrying into effect the provisions of this Chapter.

(2) Without prejudice to the generality of the foregoing power, such rules may provide for—

(*k*) prohibiting the carrying of appliances likely to cause annoyance or danger;

(*l*) the periodical testing and inspection of vehicles by prescribed authorities;

(*m*) the particulars other than registration marks to be exhibited by vehicles and the manner in which they shall be exhibited; and

(*n*) the use of trailers with motor vehicles.

## CHAPTER VI.

### CONTROL OF TRAFFIC.

Limits of speed.

**71.** (*1*) No person shall drive a motor vehicle or cause or allow a motor vehicle to be driven in any public place at a speed exceeding the maximum speed fixed for the vehicle by or under this Act or by or under any law for the time being in force:

Provided that such maximum speed shall in no case exceed the maximum fixed for the vehicle in the Eighth Schedule.

(2) The Provincial Government or any authority authorised in this behalf by the Provincial Government may, if satisfied that it is necessary to restrict the speed of motor vehicles in the interests of public safety or convenience or because of the nature of any road or bridge, by notification in the official Gazette, fix such maximum speed limits as it thinks fit for motor vehicles or any specified class of motor vehicles or for motor vehicles to which a trailer is attached, either generally or in a particular area or on a particular road or roads.

**Limits of weight and limitations on use.**

**72.** (1) The Provincial Government may prescribe conditions for the issue of permits for heavy transport vehicles by the Provincial or Regional Transport Authorities and may prohibit or restrict the use of such vehicles in any area or route within the province;

Provided that any permit issued before the commencement of this Act may be continued or renewed by the competent authority for a period not exceeding three years under the conditions upon which the permit was originally issued, unless the Provincial Government directs otherwise.

(2) Except as may be otherwise prescribed, no person shall drive or cause or allow to be driven in any public place any motor vehicle which is not fitted with pneumatic tyres.

(3) No person shall drive or cause or allow to be driven in any public place any motor vehicle or trailer—

(a) the unladen weight of which exceeds the unladen weight specified in the certificate of registration of the vehicle, or

(b) the laden weight of which exceeds the registered laden weight specified in the certificate of registration, or

(c) any axle weight of which exceeds the maximum axle weight specified for that axle in the certificate of registration.

(4) Where the driver or person in charge of a motor vehicle or trailer driven in contravention of sub-section (2) or clause (a) of sub-section (3) is not the owner, a Court may presume that the offence was committed with the knowledge of or under the orders of the owner of the motor vehicle or trailer.

**Power to have vehicle weighed.**

**73.** Any person authorised in this behalf by the Provincial Government may, if he has reason to believe that a goods vehicle or trailer is being used in contravention of section 72, require the driver to convey the vehicle to a weighing device, if any, within a distance of one mile from any point on the forward route or within a distance of five miles from the destination of the vehicle for weighment; and if on such weighment the vehicle is found to contravene in any respect the provisions of section 72 regarding weight, he may, by order in writing, direct the driver to convey the vehicle or trailer to the nearest place, to be specified in the notice, where facilities exist for the storage of goods, and not to remove the vehicle or trailer from that place until the laden weight or axle weight has been reduced or the vehicle has otherwise been treated so that it complies with section 72.

**Power to restrict the use of vehicles.**

**74.** The Provincial Government or any authority authorised in this behalf by the Provincial Government, if satisfied that it is necessary in the interests of public safety or convenience, or because of the nature of any road, or bridge, may by notification in the official Gazette prohibit or restrict, subject to such exceptions and conditions as may be specified in the notification, the driving of motor vehicles or of any specified class of motor vehicles or the use of trailers either generally in a specified area or on a specified road.

Power to erect traffic signs.

**75.** (*1*) The Provincial Government or any authority authorised in this behalf by the Provincial Government may cause or permit traffic signs to be placed or erected in any public place for the purpose of regulating motor vehicle traffic.

(*2*) Traffic signs erected under sub-section (*1*) for any purpose for which provision is made in the Ninth Schedule shall be of the size, colour and type and shall have the meanings set forth in the Ninth Schedule, but the Provincial Government or any authority empowered in this behalf by the Provincial Government may make or authorise the addition to any sign set forth in the said Schedule, of transcriptions of the words, letters or figures thereon in such script as the Provincial Government may think fit, provided that the transcriptions shall be of similar size and colour to the words, letters or figures set forth in the Ninth Schedule.

(*3*) Except as provided by sub-section (*1*) no traffic sign shall, after the commencement of this Act, be placed or erected on or near any road; but all traffic signs erected prior to the commencement of this Act by any competent authority shall for the purposes of this Act be deemed to be traffic signs erected under the provisions of sub-section (*1*).

(*4*) A Provincial Government may, by notification in the official Gazette, empower any District Magistrate or Superintendent of Police to remove or cause to be removed any sign or advertisement which is so placed in his opinion as to obscure any traffic sign from view or any sign or advertisement which is in his opinion so similar in appearance to a traffic sign as to be misleading.

Parking places and halting stations.

**76.** The Provincial Government or any authority authorised in this behalf by the Provincial Government may, in consultation with the local authority having jurisdiction in the area concerned, determine places at which motor vehicles may stand either indefinitely or for a specified period of time, and may determine the places at which public service vehicles may stop for a longer time than is necessary for the taking up and setting down of passengers.

Main roads.

**77.** A Provincial Government or any authority authorised in this behalf by the Provincial Government may, by notification in the official Gazette or by the erection at suitable places of the appropriate traffic sign referred to in Part A of the Ninth Schedule, designate certain roads as main roads for the purposes of the regulations contained in the Tenth Schedule.

Duty to obey traffic signs.

**78.** Every driver of a motor vehicle shall drive the vehicle in conformity with any indication given by a traffic sign included in Part A of the Ninth Schedule and in conformity with the driving regulations set forth in the Tenth Schedule, and shall comply with all directions given him by any police officer for the time being engaged in the regulation of traffic in any public place.

Signals and signalling devices.

**79.** The driver of a motor vehicle shall on the occasions specified in the Eleventh Schedule make the signals specified therein:

Provided that the signal of an intention to turn to the right or left or to stop may be given by a mechanical or an electrical device of a prescribed nature affixed to the vehicle.

Vehicles with left hand control.

**80.** No person shall drive or cause or allow to be driven in any public place any motor vehicle with a left hand steering control unless it is equipped with a mechanical or electrical signalling device of a prescribed nature and in working order.

Leaving vehicle in dangerous position.

**81.** No person in charge of a motor vehicle shall cause or allow the vehicle or any trailer to remain at rest on any road in such a position or in such a condition or in such circumstances as to cause or be likely to cause danger, obstruction or undue inconvenience to other users of the road.

Riding on running board

**82.** No person driving or in charge of a motor vehicle shall carry any person or permit any person to be carried on the running board or otherwise than within the body of the vehicle.

Obstruction of driver.

**83.** No person driving a motor vehicle shall allow any person to stand or sit or anything to be placed in such a manner or position as to hamper the driver in his control of the vehicle.

Stationary vehicles.

**84.** No person driving or in charge of a motor vehicle shall cause or allow the vehicle to remain stationary in any public place, unless there is in the driver's seat a person duly licensed to drive the vehicle or unless the mechanism has been stopped and a brake or brakes applied or such other measures taken as to ensure that the vehicle cannot accidentally be put in motion in the absence of the driver.

Pillion riding.

**85.** No driver of a two wheeled motor cycle shall carry more than one person in addition to himself on the cycle and no such person shall be carried otherwise than sitting on a proper seat securely fixed to the cycle behind the driver's seat.

Duty to produce licence and certificate of registration.

**86.** (*1*) The driver of a motor vehicle in any public place shall, on demand by any police officer in uniform, produce his licence for examination.

(*2*) The owner of a motor vehicle, or in his absence the driver or other person in charge of the vehicle, shall, on demand by a registering authority or any person authorised in this behalf by the Provincial Government, produce the certificate of registration of the vehicle and, where the vehicle is a transport vehicle, the certificate of fitness referred to in section 38.

(*3*) If the licence or certificates, as the case may be, are not at the time in the possession of the person to whom demand is made, it shall be a sufficient compliance with this section if such person produces the licence or certificates within ten days at any police station in British India which he specifies to the police officer or authority making the demand:

Provided that, except to such extent and with such modifications as may be prescribed, the provisions of this sub-section shall not apply to a driver driving as a paid employee, or to the driver of a transport vehicle or to any person required to produce the certificate of registration or the certificate of fitness of a transport vehicle.

Duty of driver to stop in certain cases.

**87.** (*1*) The driver of a motor vehicle shall cause the vehicle to stop and remain stationary so long as may reasonably be necessary—

(*a*) when required to do so by any police officer in uniform, or

(*b*) when required to do so by any person in charge of an animal if such person apprehends that the animal is, or being alarmed by the vehicle will become, unmanageable, or

(*c*) when the vehicle is involved in the occurrence of an accident to a person, animal or vehicle or of damage to any property, whether the driving or management of the vehicle was or was not the cause of the accident or damage,

and he shall give his name and address and the name and address of the owner of the vehicle to any person affected by any such accident or damage who demands it provided such person also furnishes his name and address.

(*2*) The driver of a motor vehicle shall, on demand by a person giving his own name and address and alleging that the driver has committed an offence punishable under section 116, give his name and address to that person.

(*3*) In this section the expression "animal" means any horse, cattle, elephant, camel, ass, mule, sheep or goat.

Duty of owner of motor vehicle to give information

**88.** The owner of a motor vehicle the driver of which is accused of any offence under this Act shall, on the demand of any police officer authorised in this behalf by the Provincial Government, give all information regarding the name and address of and the licence held by the driver which is in his possession or could by reasonable diligence be ascertained by him.

Duty of driver in case of accident and injury to a person.

**89.** When any person is injured as the result of an accident in which a motor vehicle is involved, the driver of the vehicle or other person in charge of the vehicle shall—

(*a*) take all reasonable steps to secure medical attention for the injured person, and, if necessary, convey him to the nearest hospital, unless the injured person or his guardian, in case he is a minor, desires otherwise;

(*b*) give on demand by a police officer any information required by him, or, if no police officer is present, report the circumstances of the occurrence at the nearest police station as soon as possible, and in any case within twenty-four hours of the occurrence.

Inspection of vehicle involved in accident.

**90.** When any accident occurs in which a motor vehicle is involved, any person authorised in this behalf by the Provincial Government may, on production if so required of his authority, inspect the vehicle and for that purpose may enter at any reasonable time any premises where the vehicle may be, and may remove the vehicle for examination:

Provided that the place to which the vehicle is so removed shall be intimated to the owner of the vehicle, and the vehicle shall be returned without unnecessary delay.

Power to make rules.

**91.** (*1*) The Provincial Government may make rules for the purpose of carrying into effect the provisions of this Chapter.

(*2*) Without prejudice to the generality of the foregoing power, such rules may provide for—

(*a*) the nature of the mechanical or electrical signalling devices which may be used on motor vehicles;

(*b*) the removal and the safe custody of vehicles including their loads which have broken down or which have been left standing or have been abandoned on roads;

(*c*) the installation and use of weighing devices;

(*d*) the exemption from all or any of the provisions of this Chapter of Fire Brigade vehicles, ambulances and other special classes of vehicle, subject to such conditions as may be prescribed;

(*g*) prohibiting the taking hold of or mounting of a motor vehicle in motion;

(*h*) prohibiting the use of foot-paths or pavements by motor vehicles;

(*i*) generally, the prevention of danger, injury or annoyance to the public or any person, or of danger or injury to property or of obstruction to traffic; and

(*j*) any other matter which is to be or may be prescribed.

## CHAPTER VII.

### Motor Vehicles temporarily leaving or visiting British India.

Power of Central Government to make rules.

**92.** (*1*) The Central Government may, by notification in the official Gazette, make rules for all or any of the following purposes, namely:—

(*a*) the grant and authentication of travelling passes, certificates or authorisations to persons temporarily taking motor vehicles out of British India to any place outside India or to persons temporarily proceeding out of British India to any place outside India and desiring to drive a motor vehicle during their absence from British India;

(*b*) prescribing the conditions subject to which motor vehicles brought temporarily into British India from outside India by persons intending to make a temporary stay in British India may be possessed and used in British India; and

(*c*) prescribing the conditions subject to which persons entering British India from any place outside India for a temporary stay in British India may drive motor vehicles in British India.

(*2*) No rule made under this section shall operate to confer on any person any immunity in any province from the payment of any tax levied in that province on motor vehicles or their users.

(*3*) Rules made under clauses (*b*) and (*c*) of sub-section (*1*) shall, in case of motor vehicles and persons entering British India from the French and Portuguese Settlements bounded by India, be applicable only to motor traffic to which the International Convention relating to motor traffic concluded at Paris on the 24th day of April, 1926, applies.

(*4*) Nothing in this Act or in any rule made thereunder by a Provincial Government relating to—

(*a*) the registration and identification of motor vehicles, or

(*b*) the requirements as to construction, maintenance and equipment of motor vehicles, or

(*c*) the licensing and the qualifications of drivers of motor vehicles

shall apply to any motor vehicle to which or to any driver of a motor vehicle to whom any rules made under clause (*b*) or clause (*c*) of sub-section (*1*) apply.

## CHAPTER VIII.

### INSURANCE OF MOTOR VEHICLES AGAINST THIRD PARTY RISKS.

Definitions.

**93.** In this Chapter—

(*a*) "authorised insurer" means an insurer in whose case the requirements of the Insurance Act, 1938, with respect to the registration of and deposits by insurers are complied with, and IV of 1938.

(*b*) "certificate of insurance" means a certificate issued by an authorised insurer in pursuance of sub-section (*4*) of section 95; and includes where more than one certificate has been issued in connection with a policy, or where a copy of a certificate has been issued, all those certificates or that copy, as the case may be.

Necessity for insurance against third party risk.

**94.** (*1*) No person shall use except as a passenger or cause or allow any other person to use a motor vehicle in a public place, unless there is in force in relation to the use of the vehicle by that person or that other person, as the case may be, a policy of insurance complying with the requirements of this Chapter.

*Explanation.*—A person driving a motor vehicle merely as a paid employee, while there is in force in relation to the use of the vehicle no such policy as is required by this sub-section, shall not be deemed to act in contravention of the sub-section unless he knows or has reason to believe that there is no such policy in force.

(*2*) This section shall not apply to any vehicle owned by or on behalf of the Central Government or a Provincial Government or a local authority notified in this behalf by the Provincial Government, or a State-owned railway, at any time when the vehicle is driven by a servant of the owner in the course of his employment, or is otherwise subject to the control of the owner.

Requirements of policies and limits of liability.

**95.** (*1*) In order to comply with the requirements of this Chapter, a policy of insurance must be a policy which—

(*a*) is issued by a person who is an authorised insurer, and

(*b*) insures the person or classes of person specified in the policy to the extent specified in sub-section (*2*) against any liability which may be incurred by him or them in respect of the death of or bodily injury to any person caused by or arising out of the use of the vehicle in a public place:

Provided that a policy shall not, except as may be otherwise provided under sub-section (*3*), be required—

(*i*) to cover liability in respect of the death, arising out of and in the course of his employment, of the employee of a person insured by the policy or in respect of bodily injury sustained by such an employee arising out of and in the course of his employment, or

(*ii*) except where the vehicle is a vehicle in which passengers are carried for hire or reward or by reason of or in pursuance of a contract of employment, to cover liability in respect of the death of or bodily injury to persons being carried in or upon or entering or mounting or alighting from the vehicle at the time of the occurrence of the event out of which a claim arises, or

(*iii*) to cover any contractual liability.

(2) Subject to the proviso to sub-section (1), a policy of insurance shall cover any liability incurred in respect of any one accident up to the following limits, namely:—

(a) where the vehicle is a vehicle used or adapted to be used for the carriage of goods, a limit of twenty thousand rupees;

(b) where the vehicle is a vehicle in which passengers are carried for hire or reward or by reason of or in pursuance of a contract of employment, in respect of persons other than passengers carried for hire or reward, a limit of twenty thousand rupees; and in respect of passengers a limit of twenty thousand rupees in all, and four thousand rupees in respect of an individual passenger, if the vehicle is registered to carry not more than six passengers excluding the driver or two thousand rupees in respect of an individual passenger, if the vehicle is registered to carry more than six passengers excluding the driver;

(c) where the vehicle is a vehicle of any other class, the amount of the liability incurred.

(3) A Provincial Government may prescribe that a policy of insurance shall in order to comply with the requirements of this Chapter cover any liability arising under the provisions of the Workmen's Compensation Act, 1923, in respect of the death of or bodily injury to any paid employee engaged in driving or otherwise in attendance on or being carried in a motor vehicle. VIII of 1923.

(4) A policy shall be of no effect for the purposes of this Chapter unless and until there is issued by the insurer in favour of the person by whom the policy is effected a certificate of insurance or a cover note in the prescribed form and containing the prescribed particulars of any conditions subject to which the policy is issued and of any other prescribed matters; and different forms, particulars and matters may be prescibed in different cases.

(5) Notwithstanding anything elsewhere contained in any law, a person issuing a policy of insurance under this section shall be liable to indemnify the person or classes of person specified in the policy in respect of any liability which the policy purports to cover in the case of that person or those classes of person.

Duty of insurers to satisfy judgments against persons insured in respect of third party risks.

**96.** (1) If, after a certificate of insurance or a cover note has been issued under sub-section (4) of section 95 in favour of the person by whom a policy has been effected, judgment in respect of any such liability as is required to be covered by a policy under clause (b) of sub-section (1) of section 95 (being a liability covered by the terms of the policy) is obtained against any person insured by the policy, then, notwithstanding that the insurer may be entitled to avoid or cancel or may have avoided or cancelled the policy, the insurer shall, subject to the provisions of this section, pay to the person entitled to the benefit of the decree any sum not exceeding the sum assured payable thereunder, as if he were the judgment debtor, in respect of the liability, together with any amount payable in respect of costs and any sum payable in respect of interest on that sum by virtue of any enactment relating to interest on judgments.

(2) No sum shall be payable by an insurer under sub-section (1) in respect of any judgment unless before or after the commencement of the proceedings in which the judgment is given the insurer had notice through the Court of the bringing of the proceedings, or in respect of any judgment so long as execution is stayed thereon pending an appeal; and an insurer to whom notice of the bringing of any such proceedings is

so given shall be entitled to be made a party thereto and to defend the action on any of the following grounds, namely:—

(*a*) that the policy was cancelled by mutual consent or by virtue of any provision contained therein before the accident giving rise to the liability, and that either the certificate of insurance was surrendered to the insurer or that the person to whom the certificate was issued has made an affidavit stating that the certificate has been lost or destroyed, or that either before or not later than fourteen days after the happening of the accident the insurer has commenced proceedings for cancellation of the certificate after compliance with the provisions of section 105; or

(*b*) that there has been a breach of a specified condition of the policy, being one of the following conditions, namely:—

(*i*) a condition excluding the use of the vehicle—

(*a*) for hire or reward, where the vehicle is on the date of the contract of insurance a vehicle not covered by a permit to ply for hire or reward, or

(*b*) for organised racing and speed testing, or

(*c*) for a purpose not allowed by the permit under which the vehicle is used, where the vehicle is a public service vehicle or a goods vehicle, or

(*d*) without side-car being attached, where the vehicle is a motor cycle; or

(*ii*) a condition excluding driving by a named person or persons or by any person who is not duly licensed, or by any person who has been disqualified for holding or obtaining a driving licence during the period of disqualification; or

(*iii*) a condition excluding liability for injury caused or contributed to by conditions of war, civil war, riot or civil commotion; or

(*c*) that the policy is void on the ground that it was obtained by the non-disclosure of a material fact or by a representation of fact which was false in some material particular.

(*3*) Where a certificate of insurance or cover note has been issued under sub-section (*4*) of section 95 to the person by whom a policy has been effected, so much of the policy as purports to restrict the insurance of the persons insured thereby by reference to any conditions other than those in clause (*b*) of sub-section (*2*) shall, as respects such liabilities as are required to be covered by a policy under clause (*b*) of sub-section (*1*) of section 95, be of no effect:

Provided that any sum paid by the insurer in or towards the discharge of any liability of any person which is covered by the policy by virtue only of this sub-section shall be recoverable by the insurer from that person.

(*4*) If the amount which an insurer becomes liable under this section to pay in respect of a liability incurred by a person insured by a policy exceeds the amount for which the insurer would apart from the provisions of this section be liable under the policy in respect of that liability, the insurer shall be entitled to recover the excess from that person.

(*5*) In this section the expressions "material fact" and "material particular" mean, respectively, a fact or particular of such a nature as to influence the judgment of a prudent insurer in determining whether he will take the risk and, if so, at what premium and on what conditions, and the expression "liability covered by the terms of the policy" means a liability which is covered by the policy or which would be so covered but for the fact that the insurer is entitled to avoid or cancel or has avoided or cancelled the policy.

(*6*) No insurer to whom the notice referred to in sub-section (*2*) has been given shall be entitled to avoid his liability to any person entitled to the benefit of any such judgment as is referred to in sub-section (*1*) otherwise than in the manner provided for in sub-section (*2*).

Rights of third parties against insurers on insolvency of the insured.

**97.** (*1*) Where under any contract of insurance effected in accordance with the provisions of this Chapter a person is insured against liabilities which he may incur to third parties then—

(*a*) in the event of the person becoming insolvent or making a composition or arrangement with his creditors, or

(*b*) where the insured person is a company, in the event of a winding up order being made or a resolution for a voluntary winding up being passed with respect to the company or of a receiver or manager of the company's business or undertaking being duly appointed, or of possession being taken by or on behalf of the holders of any debentures secured by a floating charge of any property comprised in or subject to the charge,

if, either before or after that event, any such liability is incurred by the insured person, his rights against the insurer under the contract in respect of the liability shall, notwithstanding anything to the contrary in any provision of law, be transferred to and vest in the third party to whom the liability was so incurred.

(*2*) Where an order for the administration of the estate of a deceased debtor is made according to the law of insolvency, then, if any debt provable in insolvency is owing by the deceased in respect of a liability to a third party against which he was insured under a contract of insurance in accordance with the provisions of this Chapter, the deceased debtor's rights against the insurer in respect of that liability shall, notwithstanding anything to the contrary in any provision of law, be transferred to and vest in the person to whom the debt is owing.

(*3*) Any condition in a policy issued for the purposes of this Chapter purporting either directly or indirectly to avoid the policy or to alter the rights of the parties thereunder upon the happening to the insured person of any of the events specified in clause (*a*) or clause (*b*) of sub-section (*1*) or upon the making of an order for the administration of the estate of a deceased debtor according to the law of insolvency shall be of no effect.

(*4*) Upon a transfer under sub-section (*1*) or sub-section (*2*) the insurer shall be under the same liability to the third party as he would have been to the insured person, but—

(*a*) if the liability of the insurer to the insured person exceeds the liability of the insured person to the third party, nothing in this Chapter shall affect the rights of the insured person against the insurer in respect of the excess, and

(*b*) if the liability of the insurer to the insured person is less than the liability of the insured person to the third party, nothing in this Chapter shall affect the rights of the third party against the insured person in respect of the balance.

**Duty to give information as to insurance.**

**98.** (*1*) No person against whom a claim is made in respect of any liability referred to in clause (*b*) of sub-section (*1*) of section 95 shall on demand by or on behalf of the person making the claim refuse to state whether or not he was insured in respect of that liability by any policy issued under the provisions of this Chapter, or would have been so insured if the insurer had not avoided or cancelled the policy, nor shall he refuse, if he was or would have been so insured, to give such particulars with respect to that policy as were specified in the certificate of insurance issued in respect thereof.

(*2*) In the event of any person becoming insolvent or making a composition or arrangement with his creditors or in the event of an order being made for the administration of the estate of a deceased person according to the law of insolvency, or in the event of a winding up order being made or a resolution for a voluntary winding up being passed with respect to any company or of a receiver or manager of the company's business or undertaking being duly appointed or of possession being taken by or on behalf of the holders of any debentures secured by a floating charge on any property comprised in or subject to the charge, it shall be the duty of the insolvent debtor, personal representative of the deceased debtor or company, as the case may be, or the official assignee or receiver in insolvency, trustee, liquidator, receiver, or manager, or person in possession of the property to give at the request of any person claiming that the insolvent debtor, deceased debtor or company is under such liability to him as is covered by the provisions of this Chapter, such information as may reasonably be required by him for the purpose of ascertaining whether any rights have been transferred to and vested in him by section 97, and for the purpose of enforcing such rights, if any; and any such contract of insurance as purports whether directly or indirectly to avoid the contract or to alter the rights of the parties thereunder upon the giving of such information in the events aforesaid, or otherwise to prohibit or prevent the giving thereof in the said events, shall be of no effect.

(*3*) If, from the information given to any person in pursuance of sub-section (*2*) or otherwise, he has reasonable ground for supposing that there have or may have been transferred to him under this Chapter rights against any particular insurer, that insurer shall be subject to the same duty as is imposed by the said sub-section on the persons therein mentioned.

(*4*) The duty to give the information imposed by this section shall include a duty to allow all contracts of insurance, receipts for premiums, and other relevant documents in the possession or power of the person on whom the duty is so imposed to be inspected and copies thereof to be taken.

**Settlement between insurers and insured persons.**

**99.** (*1*) No settlement made by an insurer in respect of any claim which might be made by a third party in respect of any liability of the nature referred to in clause (*b*) of sub-section (*1*) of section 95 shall be valid unless such third party is a party to the settlement.

(*2*) Where a person who is insured under a policy issued for the purposes of this Chapter has become insolvent, or where, if such insured person is a company, a winding up order has been made or a resolution for a voluntary winding up has been passed with respect to the company, no agreement made between the insurer and

the insured person after liability has been incurred to a third party and after the commencement of the insolvency or winding up, as the case may be, nor any waiver, assignment or other disposition made by or payment made to the insured person after the commencement aforesaid shall be effective to defeat the rights transferred to the third party under this Chapter, but those rights shall be the same as if no such agreement, waiver, assignment or disposition or payment has been made.

Saving in respect of sections 97, 98 and 99.

**100.** (*1*) For the purposes of sections 97, 98 and 99, a reference to "liabilities to third parties" in relation to a person insured under any policy of insurance shall not include a reference to any liability of that person in the capacity of insurer under some other policy of insurance.

(*2*) The provisions of sections 97, 98 and 99 shall not apply where a company is wound up voluntarily merely for the purposes of reconstruction or of an amalgamation with another company.

Insolvency of insured persons not to affect liability of insured or claims by third parties.

**101.** Where a certificate of insurance has been issued to the person by whom a policy has been effected, the happening in relation to any person insured by the policy of any such event as is mentioned in sub-section (*1*) or sub-section (*2*) of section 97 shall, notwithstanding anything in this Chapter, not affect any liability of that person of the nature referred to in clause (*b*) of sub-section (*1*) of section 95; but nothing in this section shall affect any rights against the insurer conferred under the provisions of sections 97, 98 and 99 on the person to whom the liability was incurred.

Effect of death on certain causes of action.

**102.** Notwithstanding anything contained in section 306 of the Indian Succession Act, 1925, the death of a person in whose favour a certificate of insurance or cover note had been issued, if it occurs after the happening of an event which has given rise to a claim under the provisions of this Chapter, shall not be a bar to the survival of any cause of action arising out of the said event against his estate or against the insurer. XXXIX of 1925.

Effect of certificate of insurance.

**103.** When an insurer has issued a certificate of insurance in respect of a contract of insurance between the insurer and the insured person, then—

(*a*) if and so long as the policy described in the certificate has not been issued by the insurer to the insured, the insurer shall, as between himself and any other person except the insured, be deemed to have issued to the insured person a policy of insurance conforming in all respects with the description and particulars stated in such certificate; and

(*b*) if the insurer has issued to the insured the policy described in the certificate, but the actual terms of the policy are less favourable to persons claiming under or by virtue of the policy against the insurer either directly or through the insured than the particulars of the policy as stated in the certificate, the policy shall, as between the insurer and any other person except the insured, be deemed to be in terms conforming in all respects with the particulars stated in the said certificate.

Duty to surrender certificate on cancellation of policy.

**104.** (*1*) Whenever the period of cover under a policy of insurance issued under the provisions of this Chapter is terminated or suspended by any means before its expiration by efflux of time, the insured person shall within seven days after such termination or suspension deliver to the insurer by whom the policy was issued the latest certificate of insurance given by the insurer in respect of the said policy, or, if the said certificate has been lost or destroyed, make an affidavit to that effect.

(2) Whoever fails to surrender a certificate of insurance or to make an affidavit, as the case may be, in accordance with the provisions of this section shall be punishable with fine which may extend to fifteen rupees for every day that the offence continues subject to a maximum of five hundred rupees.

Duty of insurer to notify registering authority cancellation or suspension of the policy.

**105.** Whenever a policy of insurance issued under the provisions of this Chapter is cancelled or suspended by the insurer who has issued the policy, the insurer shall within seven days notify such cancellation or suspension to the registering authority in whose records the registration of the vehicle covered by the policy of insurance is recorded or to such other authority as the Provincial Government may prescribe.

Production of certificate of insurance

**106.** (1) Any person driving a motor vehicle in any public place shall on being so required by a police officer in uniform produce the certificate of insurance relating to the use of the vehicle:

(c) within twenty-eight days of the commission of the offence, a summons for the offence was served on him:

Provided that nothing in this section shall apply where the Court is satisfied that—

*Explanation.*—The figures "5·00-17", etc., in Table A represent, respectively, the nominal sectional diameter of the tyre and the

diameter of the wheel rim; and the figures "30 × 5", etc., in Table B represent, respectively, the over-all diameter of wheel and tyre and the nominal sectional diameter of the tyre, all figures being in inches. The actual sectional diameter of the tyre when mounted on its appropriate rim and inflated shall in no case be less than the nominal sectional diameter.

*Note.*—Tyres may be calibrated in so-called metric sizes, for example, "170 × 20". In that case the first number represents the sectional diameter of the tyre in millimetres and the second number represents the diameter of the rim in inches. The permissible weight in pounds for each such tyre shall be determined by dividing the nominal sectional diameter of the tyre in millimetres by the figure 25·4, the quotient being the nominal sectional diameter in inches. The permissible weight given in Table A for the nearest equivalent nominal sectional diameter in inches and the actual rim-diameter shall be the permissible weight for that tyre.

Provided that in no case shall he pass a tram-car at a time or in a manner likely to cause danger or inconvenience to other users of the road or pass on the left hand side a tram-car, which when in motion would be travelling in the same direction as himself, while the tram-car is at rest for the purpose of setting down or taking up passengers.

4. The driver of a motor vehicle shall not pass a vehicle travelling in the same direction as himself—

(*b*) when turning to the right, draw as near as may be to the centre of the road along which he is travelling and cause the vehicle to move in such a manner that—

(*i*) as far as may be practicable it passes beyond, and so as to leave on the driver's right hand, a point formed by the intersection of the centre lines of the intersecting roads; and

(*ii*) it arrives as near as may be at the left hand side of the road which the driver is entering.

## THE ELEVENTH SCHEDULE.

(*See* section 79.)
